Disclosure: This application requests a donated vehicle from the SHBC Clunkers for Christ program. The applicant is carefully screened by a board set up by the Clunkers for Christ committee. Vehicles are distributed only to approved applicants and are given away "as-is," without any warranty. The committee will inspect and test drive donated vehicles to make sure they are in reasonably good condition. Once a vehicle is donated, the applicant agrees not to resell the vehicle unless it becomes irreparable. SHBC will be the lien holder of the vehicle.
